REQUEST FOR INSPECTION

Instructions:

1. Inspections are available Monday-Saturday.
2. Inspections are scheduled in the order received.
3. We will contact you within 24-hours to confirm your appointment.
4. Enter at least two dates.
5. Complete all entries on this form and include the MLS listing sheet, if possible.
6. Fax your request to **(252) 544-5179**. It isn't necessary to call first.

Requested Dates:

(Enter two dates or a "need by" date. If a "need by" date is entered, please identify as such.)

Client's Name:

Current Address:

Contact Numbers:

Home: _____ Work: _____ Mobile: _____

E-mail: _____

(A confirmation email will be sent to the client and client's agent, with sample contract. The actual contract will be signed at the inspection. If client will not attend inspection, Please contact Surety beforehand to arrange signing in advance.)

Inspection Address:

Property:

Age of Structure: _____ Square Footage: _____

Vacant _____ Occupied _____ Utilities are: On _____ Off _____

NOTE: To prevent damage to the unit, power to the HVAC system must be on for 24 hours before the inspection. All natural gas, propane and fuel oil valves must be in the "on" position. Circuit Breakers in the "off" position will be left in that position. For a nominal fee, we will visit the property on the day before the inspection to ensure everything is ready. Call for details.
